Regional Land Inventory

CAEP member communities are invited to participate in the next step in our Municipal Investment Attraction Readiness Program. Aimed at closing the gap in local and regional land data, the project will collect information on shovel-read employment land and its relevant utility infrastructure.

Please send contact information for the project lead in your community to:

Megan@caepalberta.com no later than July 14th.

For more information, contact Kimberley@caepalberta.com

We want to hear from you! Do you want to share a positive story or accomplishment? Being a part of the CAEP community means learning from and supporting each other, so let us share in your success!

CAEP Connections is distributed to over 800 readers. If you have a story you'd like to share with the entire CAEP community, send to: Megan@caepalberta.com
